Press Release **May 11, 2007**

On Saturday, May 5, 2007, 12 inmates from the Cumberland County Sheriffs Office, Community Corrections Center provided clean-up services at the Kiwanis Beach in Standish. The inmates raked the entire beach, rearranged picnic tables and cleared leftover debris from the winter months. The detail was completed in 4 hours. The yearly clean-up normally takes Kiwanis' members two weeks to get ready for the summer.

This is just one of the many community service projects completed by the Cumberland County Jail Community Service program throughout the year.
